DISCLAIMER: These resources and references are provided for informational purposes only. Nothing in this document should be construed as specific legal advice.

* As of Friday, June 5, most of Virginia will enter Phase 2 of reopening, with the exception of Richmond and Northern Virginia.

Restaurants and bars will be able to open their businesses for indoor dining at 50% capacity, while gyms may open at 30% capacity. The state will allow some recreation and entertainment venues to reopen, such as pools, museums and outdoor concert venues. But indoor concert venues and overnight camps will remain closed.
